**Evolve. Advance.
We'll cheer you on.**

Are you a student or graduate with a good command of English and willingness to grow? You're motivated, have strong analytical skills and deliver against tight deadlines? And you're friendly to top it off? UBS might be just the right place for you to kick-start your career.

During our internship program you'll see how a global financial company works. And you'll also experience our teams collaborative culture. Your paid internship will last three or six months (with the possibility of extension). The best interns in various departments become first-in-line candidates to join us permanently.

We're looking for interns in areas, such as:

- Finance
- Research
- Technology
- Human Resources
- Legal, Compliance and Risk
- Group Internal Audit
- Project Management
- Operations

Ready to start?
Let's go.

Success. Here we go.
