

Pay Transparency Directive

breakfast with the JDP Employment Team

13th May 2025

Garden Lounge,
17 Bonifraterska st.

10:00-12:00

As early as next year, new obligations under the **Pay Transparency Directive** will be imposed on the employers.

We will devote our business breakfast to these issues.

Agenda

During the event, experts from JDP Employment Team will talk about:

how to recruit properly,

how to structure salaries,

what is equal work and work of equal value,

and what we should do right now to properly prepare for the new regulations.

We would like our breakfast to be an opportunity to exchange experiences for specialists from different industries.
